

WD21V

Floor Squeegee

Crevice Tool

Better Built. Better Equipment.

WET or DRY Technology

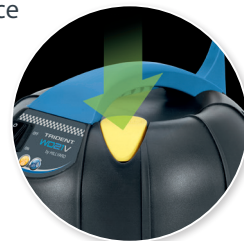

Allows to vacuum separately or simultaneously both liquids and debris, without the need to stop and change the filter. This technology helps to improve productivity, optimizing cleaning time.

AUTO-CLEAN Technology

Improves the vacuuming performance and reduces cleaning time, since it automatically cleans the filter at anytime by just pressing a button.

Inside the container, the liquids are deposited into the tank while the air is vacuumed up to the foam filter. The dust is filtered by the cartridge filter and the air is returned into the environment perfectly clean.

Specifications		WD21V
Hillyard Item Number		HIL56018
Tank Material	-	HDPE
Voltage	V/Hz	115/60
Motor	No.	1
Stages	No.	1
Power	W	1600
Vacuum	KPa	22
Air Flow	Cu.m/h	212
Tank Capacity	Gal	21
Cord Length	Ft	50
Machine Weight	Lb	41.9
Dimensions (L, H, W)	In	22.8, 37.4, 22.0
Contents		1 - Machine 1 - Tool Kit 1 - Front Squeegee Kit
